

# Ordering YOUR History Timeline is simple!

1. Identify a possible location in your school and email a photo to us.

*email your photo to Briau!...*

Email a photo and measurements of the space to:  
[brianhowell@creativodesign.co.uk](mailto:brianhowell@creativodesign.co.uk)

2. We email back a FREE 'artist's impression' of your timeline in place together with the cost and a detailed pdf of our generic KS2 history timeline for you to look at.

*We email back an artist's impression like these*

You can order the generic KS2 history timeline as it is, or you can customise, amend and add to it. Maybe including topics that feature in your history teaching plan or interesting stuff about your area or school... Just let us know what you would like!

**3.** We agree the artwork with you, go to production and your timeline arrives within 7-10 days. Often even quicker!

It's printed direct to 5mm rigid plastic, and depending on the size, arrives in sections. The panels are simply drilled and screwed to the wall by your caretaker or handyperson. Panels are durable and long lasting.

We invoice your school and that's it! Job done...

**Our timelines are in schools all over England at sizes from 2m - 28m long. We adjust the artwork length and depth to suit the size of the space available. Everyone loves it!**
